Team Total				

Make checks payable to SFLL

Remember that the team ticket orders are processed so that teams sit together.

So, families with siblings in SFLL have three choices:

1. Buy all the family's tickets through one team so the family can sit together.
2. Buy the kids' tickets through each of the kids' teams so that each kid can sit with his/her team. Then parents buy tickets through the team they want to sit with. (if parents are separated from their kid(s) they may need to get some help from a parent sitting with that kid's team)
3. Buy tickets as a family, independent of any team.
